

Give the Gift that Gives Back

A Gift Annuity Provides...

An immediate gift to help the Companions in their ministry

A future gift to meet the needs of our growth and mission

In turn you receive...

Fixed payments
(every cheque is the same)

Lifetime payments
(They last as long as you do)

Appealing payments
(The rates are very attractive)

Partial tax-free payments
(they're 60% to 100% tax-free)

A gift annuity provides both a gift to charity and guaranteed payments to the donor for life. It may be compared to a farmer who gives his orchard to a charity, but keeps the annual harvest of peaches while he lives.

To find out more about how you can arrange for a personalized gift annuity that benefits yourself and the Companions of the Cross, please contact Mr. Ken Gorman, CC Director of Resource Development, at our main office.
